

Indian Institue Of Information Technology, Kalyani

Department of Computer Science & Engineering

Academic Year: 2024-2025

STUDENT ATTENDANCE REPORT

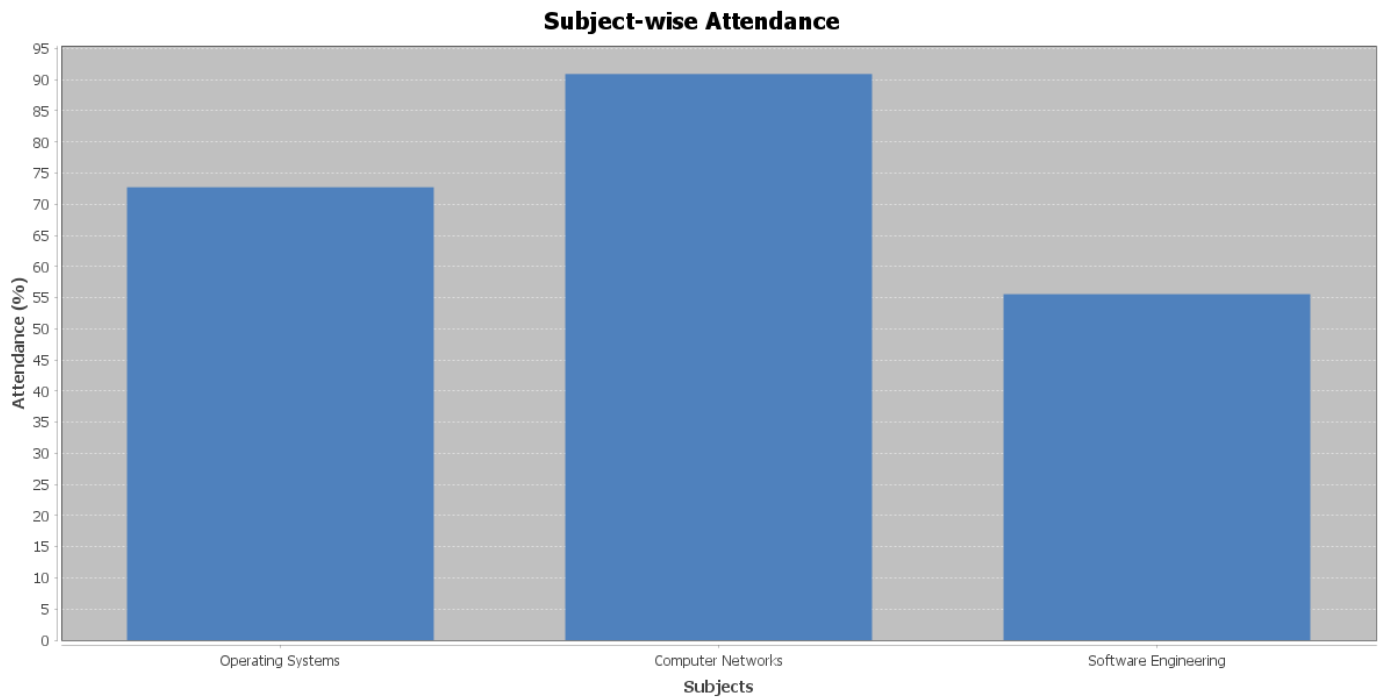

Student Name:	Alice Smith
Student ID:	CSE2025-02
Class:	Computer Science - Unknown Year
Report Date:	March 31, 2025

ATTENDANCE SUMMARY

Total Classes:	31
Classes Attended:	23
Attendance Percentage:	74%

SUBJECT-WISE ATTENDANCE

Subject	Total Classes	Attended	Attendance %
Operating Systems	11	8	72.73%
Computer Networks	11	10	90.91%
Software Engineering	9	5	55.56%

REMARKS & OBSERVATIONS

Overall Attendance Performance: Good

Comments: The attendance is decent, but improvements can be made. Regular participation is recommended.

ATTENDANCE REMARKS

Performance Level: The Busy Explorer!

Reflection: You attend fairly well but sometimes miss out on valuable lessons.

Advice for Improvement: Try to make small adjustments to be present more often—every class counts!

IMPORTANT NOTICE

Mandatory Attendance Policy!

All students are required to maintain a minimum attendance percentage as per institute regulations. Failure to meet this requirement may result in serious academic consequences, including:

- Disqualification from semester examinations
- Deduction of internal assessment marks
- Academic probation or disciplinary actions

Student Responsibility

Consistent class participation is crucial for academic success. Students are advised to prioritize attendance and communicate any valid concerns with faculty members. Attendance records are strictly monitored, and non-compliance may impact overall academic performance.

*For further clarification, refer to the official ****University Handbook**** or consult the ****Department Administration****.*
